2. Context and Scope

HammondCare is an independent Christian charity that exists to improve quality of life for people in need.

We specialise in aged and dementia care, palliative care, rehabilitation, mental health services for older people, and other related health and aged care services. HammondCare seeks to embed evidence based best practice in its services and we provide these services through home care, sub-acute hospitals and residential aged care.

Bringing these health, hospital and aged care services together, HammondCare has been able to develop innovative, flexible care models designed to serve people with complex health or aged care needs, regardless of their circumstances.

HammondCare works to provide its staff with support, career development opportunities, education, responsibility and recognition, work/life balance, and satisfying roles.

Summary of Position

The role of the Care Worker (HammondCare At Home) works within the Mission and Mission in Action of HammondCare to deliver a range of "in-home" aged care services to clients who are in receipt of a Home Care Package or other aged care services (i.e. CHSP In Home Respite, Private Service etc). The Care Worker (HammondCare At Home) works mostly alone in the clients' homes, but the support of their Care Manager.

This role is expected to deliver outstanding levels of client service and to perform delegated duties to a high standard within the HammondCare Mission and Core Values so as to maximise client satisfaction.

The essence of this role:

- Community Care Workers are part of a dedicated & well supported team providing care in the home, including personal care, housework, shopping, medication supervision, according to each client's care plan.
- Enable each client to have the opportunity to succeed at the activities of daily living which promote dignity, self-respect and maintain the client's quality of life and abilities.
- A strong team player who will communicate changes in care, completion of all documentation, while maintaining confidentiality.
- Comprehensive and ongoing training and development is provided.

3. HammondCare's 'Motivation, Mission and Mission in Action'

Our mission

Our passion is improving quality of life for people in need

Our motivation

The work of HammondCare is motivated by the Christian principles and values expressed in the words and deeds of Jesus Christ. HammondCare believes in the value of all people as made in the image of God and as loved by God. We are therefore called to show the same love, with compassion and respect, for people in need.

Our mission in action

We serve people with complex health or aged care needs, regardless of their circumstances.

How we serve others

Listening and relating

We listen to people and seek to understand their needs.

Enabling choice

With creativity and wisdom, we enable people to choose and to engage in life through activities they enjoy, find satisfying and from which they derive dignity and self-respect.

Tailoring care

We believe that providing excellent and responsive clinical care flows from knowing and understanding the person.

Belonging

We believe that feeling safe is crucial for people's well-being. We recognise the value of feeling in control and 'at home'.

Partnering with family and friends

We actively encourage family and friends to be our partners in care.

Engaging with community

We encourage people to be involved in their community and we will connect with the communities in which we serve.

Equity and access

We seek to serve the disadvantaged and those unable to care for themselves.

Nurturing the whole person

Our Christian motivation means that we nurture the spiritual well-being of people, as well as meeting their physical and emotional needs.

How we work together

Serving with passion

We only want staff and volunteers who enjoy serving others and demonstrate this in their behaviour and attitude.

Learning and developing

We build the knowledge and skills necessary to do our jobs well and develop satisfying careers. We all use what we learn.

Being creative and innovative

We seek to research, develop and improve care and services. We encourage creativity and innovation.

Communicating well

We communicate honestly, openly and in a timely manner.

Respecting confidentiality

We protect the privacy and confidentiality of those we serve and with whom we work.

Being wise with resources

We will manage resources effectively and sustainably.

Managing risks for better care

We manage risks in an intelligent and measured way rather than seeking to eliminate them.

Valuing teamwork and sharing responsibility

We respect and value each other, our different roles, and the diversity of team members. All staff members share responsibility for our services and work together to reach common goals.
