

Behaviour frequency chart

This chart is for use to record the frequency of a specific behaviour as outlined below. The form must be completed by **all staff on every shift** during the monitoring period to ensure accurate, complete assessment of the behaviour. **Every hour add one (1) check mark (I) for each occurrence of the behaviour described.**

Surname: _____

D.O.B.: _____

Given name: _____

Location: _____

Date	Behaviour type/description				Planned intervention/s										
	Starting at	Instances	Initial	Instances	Initial	Instances	Initial	Instances	Initial	Instances	Initial	Instances	Initial	Instances	Initial
