Notification Letter

Dear Resident,

Hindmarsh Construction Australia in conjunction with Chalouhi will have an oversized plant delivery occurring out of site hours on Wednesday 12th August.

Location: River Road Site Gate Entry.

Time: Plant is expected to be delivered to site at **5am**, offloading of plant will occur during site hours after 7:30am.

Trained traffic control personnel will be at the gate to assist with the delivery.

Construction activities/deliveries outside of hours is permitted as per SSD 8699 Condition D5 & D6.

- D5. Construction activities may be undertaken outside of the hours in condition D4 if required:
- (a) by the Police or a public authority for the delivery of vehicles, plant or materials; or
 - (b) in an emergency to avoid the loss of life, damage to property or to prevent environmental harm; or
 - (c) where the works are inaudible at the nearest sensitive receivers; or
 - (a) for the delivery, set-up and removal of construction cranes, where notice of the crane-related works is provided to the Planning Secretary and affected residents at least seven days prior to the works; or
 - (b) where a variation is approved in advance in writing by the Planning Secretary or his nominee if appropriate justification is provided for the works.
- D6. Notification of such construction activities as referenced in condition D5 must be given to affected residents before undertaking the activities or as soon as is practical afterwards.

This delivery is required to be completed out of hours by TfNSW via the National Heavy Vehicle Regulator (Public Authority).

Hindmarsh Construction Australia will endeavour to minimise the disturbance where possible. We apologise for the inconvenience this may cause and thank you for your patience during this time.
