We do heart-to-heart

Pastoral Care at HammondCare

Listening is what we do best

At HammondCare, we know every part of your life is important – not just your physical or clinical needs. That's why we have people whose job is to just *be there* for you.

When something's on your mind, or when life is changing, it helps to sit down with someone you trust for a proper heart-to-heart. Our Pastoral Care team are expert listeners so – no matter what's going on for you, big or small – we'd love to hear about it.

> **"I'm grateful to the pastoral care team for their support; they are such good company, and I can talk freely to them about anything."**
>
> **Patricia, Home Care client**

> **"We listen deeply and will support you through life's ups and downs.**
>
> **We'll walk the journey with you."**
>
> **Donna, Pastoral Care Manager**
